EXPERIENCE

April 2022 - June 2022

Graphic and UX Design Intern - Song Me LLC

My role is to conduct market and user research, redesign the existing information architecture, onboarding experience and UI of the Song Me app.

September 2020 - November 2020

UX Lead - Gulfstream x SCADpro Sponsored Course

SCAD is collaborating with Gulfstream Aerospace to assist in the research and development of concepts for a Flight Deck Cursor Control Device (CCD). I was the UX lead for this project.

November 2019 - Present

Founder and UX Designer - ELOD Design Studio, Thailand

Designing logos, packaging, websites and apps for clients.
