C++

## EXPERIENCE

### September 2020 - November 2020

#### SCADpro - Sponsored Course

SCAD is collaborating with Gulfstream Aerospace to assist in the research and development of concepts for a Flight Deck Cursor Control Device (CCD). I was the UX lead for this project.

### November 2019 - Present

#### Founder and UX Designer - ELOD Design Studio, Thailand

Design logos, packaging, website and app design for clients.

### June 2019

#### Design Intern - Skywell Thailand, Thailand

Designed a decal for electric bus that is in production and aims to replace the old Thai public buses by the end of 2019.

## EDUCATION

### Savannah College of Art and Design, USA

User Experience Design, BFA

Graphic Design Minor

Graduation Date: 05/2022

GPA: 3.6

## EXTRACULICULAR ACTIVITIES

### Fall 2018 - Present

#### FLUX (Future Leaders of UX)

Active participant in SCAD'S User Experience club and regularly attend workshops.

## NOTABLE ACHIEVEMENTS

### October 2020

#### SCADpro Design Challenge: Savannah Economic Development Authority

Participated in a 3-day Design Challenge and in a team of three researched and developed concepts for an immersive experience (physical, digital or both) that will attract businesses to Savannah.

SCAD Academic Honors Scholarship, 2018 - Present

SCAD International Student Scholarship, 2018 - Present
